- CFB Rockcliffe history
- CFB Tomorrow
- Innovative
- Pioneer families
- WW2 heroes and veterans

OTHER CUES, IDEAS FOR SELECTION CRITERIA, OR THEMES

- must work in French & English
- should have the same spelling (not only meaning) in both official languages
- strong link with nature and the natural history of the Ottawa valley
- clear links with Algonquins
- Algonquin words are not out of the question
- links with the defence heritage of the site
- links with aviation
- names of birds (could capture nature, Algonquins, air force heritage, aviation)
- something looking toward the future, not just the past (aviation and aerospace?)
- names of stars? constellations?
- something in mythology to do with flight (e.g., Pegasus)?
- something from Algonquin legends and myths (the Elders could help us)
- something “pan-Canadian” (i.e., Ottawa is the national capital)
- avoid typical or generic developer-type or marketing-style names
- avoid appealing to snobbery
