

Notice of Public Open House

Former CFB Rockcliffe Airbase

Community Design Plan

We're almost there – Final Open House Prior to Submission of Draft Preferred Plan to the City of Ottawa. Come out and tell us what you think.

Canada Lands Company, in partnership with the City of Ottawa, is preparing a Community Design Plan and environmental assessment studies to identify a recommended plan for the redevelopment of the former Canadian Forces Base Rockcliffe lands. This project is being conducted using the integrated approach in accordance with Section A.2.9 of the Municipal Engineers Association's Municipal Class Environmental Assessment for meeting the requirements of the Environmental Assessment Act and for approval under the Planning Act. Alternatives for providing water, wastewater, stormwater, roads, transit and active transportation infrastructure have been assessed.

The study team is hosting a Public Open House to share information and to receive feedback from members of the public. This final Open House is a follow up to the Workshop and Open House events held in November of 2012 and May of 2013. Participants will have the opportunity to review progress on the project to date prior to its submission to the City of Ottawa for approval. The primary purpose of this event will be to present an overview of the draft preferred community design plan and infrastructure alternatives to provide participants with an opportunity to meet with representatives from the study team and to review and comment on the draft preferred plan and infrastructure alternatives.

The Public Open House will include both informal drop-in hours and opportunities to hear a formal presentation.

Date:	Tuesday, February 18, 2014
Drop-in Hours:	Anytime between the hours of 3:00 PM - 8:30 PM
Presentation Times:	4:00 PM and repeated again at 7:00 PM
Location:	Ottawa Conference and Events Centre (Formerly Hampton Inn Conference and Convention Centre) 200 Coventry Road, Ottawa ON

The venue is accessible by public transit.
